NOTE FOR: General Walters

FROM :

SUBJECT : Former Senator Ervin's Remarks on October 7, 1974

We have looked extensively through our records for the complimentary remarks you referred to. Nothing has been found in our press clippings, Watergate files, or transcripts. It may be that the Senator made the comment in a hometown paper. We're at a dead end regarding places to look. If you could remember anything else about that particular date, perhaps it might shed some light on this matter. *But I do remember it!*
